

MODRULJ

PRILAGOĐENA DA SE UKLOPI
CUSTOMIZED TO FIT IN

serija
M
261

Glavna prednost ove radne stolice je mogućnost uklapanja u različite enterijere. Bilo da radite u kancelariji klasičnog dizajna, sa stilskim nameštajem, ili u modernom i minimalistički dizajniranom radnom prostoru – ova kancelarijska stolica će izgledati sjajno, pružajući udobnost i kvalitet uz odličan dizajn.

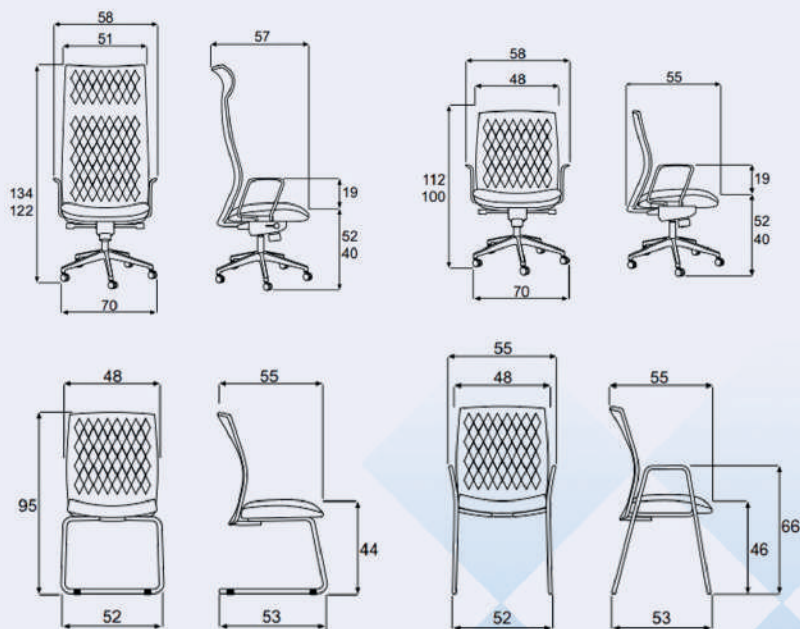

Osnovni model kancelarijske stolice M 261 moguće je prilagođavati po sopstvenim potrebama, željama, budžetu i ukusu;

osnovni model obuhvata: metalni naslon za leđa tapaciran mrežom ili materijalom koji odaberete; S sinhro mehanizacijom sa 5 pozicija zaključavanja; piramidalna plastična zvezda od 680mm; plastični točkići fi.50mm; ergonomsko sedište sa drvenim otpreskom, tapacirano po Vašoj želji.

The main advantage of this work chair is the ability to fit into different interiors. Whether you are working, in a classical design office or office with stylish furniture, or in a modern and minimalist design room - this office chair will look great, providing comfort and quality with excellent design.

The basic model of the office chair M 261 can be customized according to your own needs, desires, budget, and taste;

the basic model includes metal backrest upholstered with mesh or material you choose; With synchro mechanism with 5 lock positions; pyramidal plastic base of 680mm; plastic casters fi.50mm; ergonomic seat with a wood inner panel, upholstered as you wish.
