

M 420

compact and lively

Atenea is compact and its familiar form is updated with colors and contemporary materials. Exceptionally versatile and resilient, Atenea moves easily from home to office to restaurant, inside and outside.

Atenea is the ideal product for the contract market.
A product with a fresh design, robust and easy to
assemble. Design Rafa Ortega.

multi purpose with style

Atenea is a multi purpose product with a pleasant design and a high comfort. 4 legs, armchair, with tablet, 4 caster, home office, beam, in plastic or upholstered... with Atenea you can have the right version for every contract situation. Design Rafa Ortega.
